## FROM OUR PRINCIPAL

Mr Dale Skinner

Dear Carlisle Family,

This is just a short newsletter to keep you all informed of what we've been up to this last week of Term 2 and an opportunity to acknowledge some outgoing staff and new staff appointments for Term 3.

I would like to thank Narelle Byrne our Art/Business teacher who will be going on leave.

I would especially like to thank Mary Sammut who came out of retirement this year to teach Year 3. Mary will be missed by staff and students on a full-time basis, but we are extremely glad that she will remain a part of our Carlisle family as a relief teacher.

I would like to welcome Gary Kaddatz, Chey Thompson and Zhane Bobongie to the Carlisle family. You can learn a bit more about them on the following page. Their experience and expertise will be a welcome addition to our team.

It was great to see all the students smiling and dressed in their pyjamas for the last day of term. It was a fitting end to a successful and productive term. Once again, I thank you all for being an amazing and integral part of our school community. My prayer is that we all remain safe over the holiday break, enjoy our time with loved ones and come back refreshed for term 3.

Blessings,

# NEW STAFF FOR TERM 3

Hello, my name is Zhanee Bobongie (Close). A lot of you may already know me as a former teacher aide and Indigenous Support Officer at Carlisle Adventist College a few years ago. I have now returned to Carlisle as a new secondary teacher commencing term 3. I will be teaching Secondary Art and assuming the role of Sports Coordinator. I look forward to embarking on this new journey with you all.

---

My name is Chey Thompson and I love working in education. I will be teaching Grade 3 at Carlisle. I have 3 children of my own, who are now teenagers, but I have worked with children since 2005.

I enjoy the independence of primary school and enjoy watching the progression of the children in my class, and how much they grow by the end of the year.

I am very excited to be starting at Carlisle Adventist College and look forward to getting to know you all. I have an open door policy, but also please don't hesitate to contact me via email, or a quick chat. I look forward to working with you.

A big 'Hello' to all staff and families at Carlisle Adventist College! My name is Gary Kaddatz, and I've been granted the great pleasure of teaching Science, Careers, Math, Business, and Aquatic Practices. I'm an exercise/sport-and-health-science-minded individual, and a qualified high school and TAFE teacher. For the past four years, I've worked as the sole CQUniversity TAFE Teacher delivering the Diploma of Remedial Massage at Mackay City and Rockhampton City campuses.

During this time, I also undertook relief teaching at local high schools. Prior to all of this, I worked as a high school Agricultural Science and Junior Science Teacher. I've also been self-employed for the past 16 years as a professional Remedial Therapist specialising in injury prevention, rehabilitation and health. When time permits, my family and I love caravanning, camping, boating and fishing. Christian values are important to my family and I, and we are members of the Old Apostolic Church of Queensland. Thank you in advance for having me on board. I look forward to working with you all from next term onwards.

# YEAR 10 GIRLS GET A TASTE OF THE TRADIE LIFE

On Tuesday 21st June, the Year 10 girls visited the Mackay Christian College Trade Training Centre where they spent a fantastic day doing an initial safety induction, then an introduction on how to MIG weld followed by the making of a jewellery tree for the Women Who Weld (WWW). The program was delivered by the Gateway to Industry Schools Program (GISP) which is proudly hosted by QMI, WWW and sponsored by Cummings.

The aim was to provide an opportunity and safe environment for young women to try the practical skill of welding. This provided our students with an understanding of welding and an idea of STEAM school subjects. It's also an opportunity for the girls to decide whether a trade career pathway is something they wish to explore further. Their fabrication craftsmanship was outstanding!

'Women Who Weld' aims to address our national trade skills shortage. The program encourages young women to consider a trade pathway where 76% of jobs within Queensland's manufacturing sector are occupied by men.

## CARLISLE SET TO RESUME STRING ENSEMBLE

We are on the quest to resume our String ensemble and have found a teacher, Rosemary Shepherd, who is willing to run an ensemble. The ensemble will be run between 12:30-1:10pm, day to be confirmed. If your child/ren already attends violin lessons the cost will be \$5 a session, if they don't attend lessons then the cost will be \$10 a session. If your child/ren plays a string instrument and would like to be part of the ensemble please email our Deputy Principal, Isabelle Millien and notify her what instrument your child plays and their level (ie, Beginning, Intermediate, Accomplished) at [imillien@carlisle.qld.edu.au](mailto:imillien@carlisle.qld.edu.au)

# YEAR 9 MAKE SUSHI

Community ↔ Christ-Centred ↔ Thriving

Kathryn Curtin/ Japanese Teacher

The Year 9 class have taken their Japanese skills into the kitchen. As part of their end of term celebration the students carved up and prepared their own sushi rolls. By the look of these pictures some of the food was restaurant worthy and we may have some handy chefs among us.

Feeling cold this winter? The Mackay Central Pathfinder Club are selling 20kg bags of Firewood for just \$10 to fundraise for Camporee. If you would like to get in on this great deal please contact Karen on 0428 106 155 to arrange a pick-up time and location.
