## FROM OUR PRINCIPAL

Dear Carlisle Community,

Welcome back for the final term of 2022. I cannot believe how quickly we have progressed through the year, but nevertheless it's been great to see our college back in full swing over the past fortnight.

Mr Dale Skinner

A big thanks to Fiona and her OSHC team for the Vacation care program they put together over the break. I know the kids had a fabulous time and you can read about all their adventures in this newsletter. OSHC is such a great service so please make sure you get your applications in early for the next school holidays.

Speaking of applications. There are still places available for prep next year. If you know friends or family that have prep age students for 2023, please inform them to get in touch with the school. There are a number of events that are coming up throughout the term, and there will be some opportunities to serve our community. As you are made aware of dates and events, please put them into your calendar.

Term 4 will, no doubt, be a busy term and will go by quickly. I'm reminded during these times that we should always seek to perform our work to the best of our ability, so that others are blessed by it. Seek ways to help our friends rather than tear them down. 1 Thessalonians 5:11 says, "Encourage one another and build each other up, just as in fact you are doing." My prayer is that we continue to uphold each other in our Carlisle community.

God Bless,

# ANNOUNCEMENTS

Our 2022 swimming carnival will be held this Wednesday, 19th October at the MARC at Ooralea. The event will run from 8:45am-2:45pm. An e-mail reminder was sent out today with all the details you need to know. The aim of our annual swimming carnival is to involve as many students as possible in a day of friendly competition between each school House. We hope to see all our students there, representing their colours, ready to cheer and compete.

A very big thank-you to all the families who got behind the Krispy Kreme run in support of our Year 12's fundraising for their Tasmania Service Trip. We have received a number of orders and will be in communication once we receive a delivery date. Thanks again for all your continued support throughout 2022.

Pastor Ben/Chaplain

Breakfast is an important part of the day. It's the fuel for a good day's learning. We are wanting to commence a breakfast club at Carlisle but would need the assistance of some volunteers to facilitate this. If you are available on some weekday mornings please express your interest to Pastor Ben at [bgalindo@carlisle.qld.edu.au](mailto:bgalindo@carlisle.qld.edu.au)

Natalie Stepan/ First Aid Officer

On Monday, 17th October the Year 7's are having their follow-up Immunisation as per the 2022 School Immunisation Program. The Year 7s have had their first Immunisation at the beginning of the year (in March) and this is their second and final for the year. These immunisations include HPV and Boostrix and are part of a free service provided through Mackay Hospital & Health Service from the Qld Government.

# WEEK OF WORSHIP

Pastor Ben Galindo/Chaplain

This week has marked the second installment of our annual Week of Worship (WOW). The Primary and Secondary students split into their respective groups to learn more about faith and Jesus' unique love for us. Pastor Ben has been leading the Primary space with the theme **"Weird Animals, Where Jesus' Love is One-of-a-Kind"**. Using the persona of a Mexican by the name of Senor Benito, he has been highlighting the unique traits of certain animals in creation. Students have been challenged to understand that Jesus' love is one-of-a-kind just like the way he created animals that are one-of-a-kind. These lessons have been able to demonstrate how much attention Jesus pays to the finer details of our life.

In the Secondary space some of our Senior students have been leading from the front this week. They have courageously shared their own faith journeys and encouraged their peers to **"Take the plunge"** in their faith and walk with Jesus.

# "CLASS OF 2022" PREPARES FOR EXTERNAL EXAMS

We would like to take a moment to pray for our Year 12 students who will be sitting their external exams from Monday, 24th October. We ask that God calm any nerves and help them to remain focused in their preparation. Please grant them a clear mind Lord so that all their studies and preparation will be at the front of their mind.

## UNIVERSITY OFFERS BEGIN TO ROLL IN

Some of our Senior students have begun to receive confirmation of University offers and Certificate 3 completions. Last week, Tayissa received an offer from Avondale University to study a Bachelor of Arts/Bachelor of Teaching (Secondary) Congratulations Tayissa!!

And further Congratulations to Shea who, along with Tayissa, formally completed her Certificate 3 in Childcare. We wish both these amazing young ladies all the success in the future. They have played an important role in our OSHC team and worked tirelessly and dedicated themselves over the last few years to make this moment a reality.

We will continue to keep you posted on any other students that receive exciting news for their future ahead. In the meantime, we will cherish the remaining weeks we have together with the Year 12 class. Preparations are busily underway for this Year's Formal and of course there is the Service trip to Tasmania. There are lots more exciting memories to be created in the final term of Secondary.

# VACATION CARE

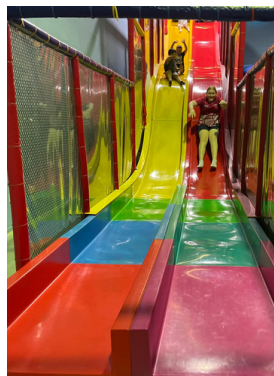

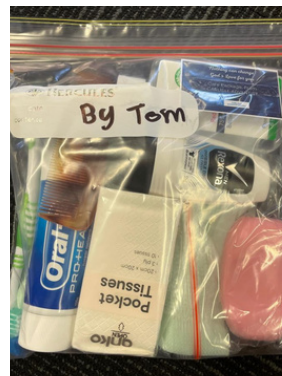

Fiona Gibbs/OSHC  
Coordinator

During the holidays OSHC had a fantastic time! We started the week off by making care packages for people in our community. These packs were given to a local organisation Murri Watch. The children took great pride in working on these. Over the fortnight, we looked at 1 Timothy for our devotions, we were looking at building strong bodies, communities, and churches. One of our favourite devotion activities was our Body Challenge where the children had to build a strong person out of cereal, playdough, and skewers. We had lots of brainstorming and teamwork to get some creative end results.

We had three excursions over the break. Our first was Ten Pin Bowling which was lots of fun, then we went to Kidzlife play centre, which I think our staff may have had more fun on the slide than the children. And on our last day we headed to the movies to watch Paws of Fury. The children also spent an afternoon cleaning up the garden, removing rubbish and weeding the garden beds. We had a great time sharing our talents and skills at our Talent Show. We had jokes, stories and some tricks, where all children had a go and had lots of fun. We also had a celebration day where children had the opportunity to dress up and share a culture with their friends. We extended this activity by getting the globe out and finding all the countries we spoke about that day.

Booking forms and the program for the next vacation care will be sent out to families in the next few weeks, if any families have any ideas for the program, please let us know via email or come in and speak to one of our staff. Also, our re-enrolment forms for 2023 have been sent out, so if you still require care for next year, please remember to email or return those back.

Our term 4 community project is our Sleeping bag drive, we are collecting new and old sleeping bags for people in need in our local community. If you would like to bring some in there is a box in the OSHC room (Dem 2). This project is working with our Indigenous coordinator Nicole Bobongie and the Staff at Murri Watch Mackay.

## Day for Daniel

Friday 28 October, 2022

### Get Red, Red, Ready!

Carlisle Adventist College is just one of over 6000 schools to participate in this year's Day for Daniel. On Friday, 28th October we will remember Daniel by wearing red and donating a gold coin towards the Daniel Morcombe foundation.

Red has become a colour to represent child safety and the Daniel Morcombe Foundation. We encourage all our children, educators, and staff to dress in red on the day!

Classroom lessons will take place next week, sharing the Foundations 'keeping kids safe' messages including how to "**Recognise, React, and Report.**" We thank you in advance for your support of this important Foundation and we look forward to seeing a sea of red come October 28th!!

## LET US CELEBRATE YOUR CHILD!!!

We know that being a student at Carlisle Adventist College is an important facet of your child's life, and we also know that many students have interests, skills and talents away from school life. That is why we are calling on parents to share your child's accomplishments with us.

Whether your child is an aspiring athlete, a talented musician, a dance sensation, or just won a Noble Prize we think they're pretty special too and we would love to celebrate their success with you.

Please feel free to email and send photos to our Communications Officer at [smillien@carlisle.qld.edu.au](mailto:smillien@carlisle.qld.edu.au) and we'll be sure to let the whole school community know how awesome your little one is.

The Mackay Enrolment Drive Event is being hosted by the Mackay Family Support Alliance (MFSA) and UnitingCare to support Mackay families to engage in early years settings, skills and training services and employment. As a community we are aware of a wide range of barriers that impact families and children attending education and pre-education services and to engage in post school training and employment. Our vision is to support families to be able to access the necessary services to engage in more meaningful community, social and economic participation.

There are currently 35 registered stall providers!!

Some of the barriers identified include:

- Financial support and advice
- Information on programs – health supports, inclusion playgroups, mental health, family support
- Free or low-cost school supplies
- CALD and First Nations family support
- Transport
- Course options, tickets, licenses, case management for employment and skill building
