

Thriving, Christ-Centred, Learning Community

FROM OUR PRINCIPAL

Dear Carlisle Community,

I hope that you've had the opportunity to connect and create new memories during the school holiday period.

In the first week of the holidays, the Northern Australian Conference of the Seventh-Day Adventist Church organized a camp in Townsville. This event catered for all ages, from newborns to those aged 99+, with a variety of programs and activities for children and adults. It was a wonderful occasion for spiritual enrichment and for reconnecting with old friends and making new ones.

Over the past week, our dedicated teachers have been preparing classrooms and programs for our students' return. You may have seen on Facebook that we spent a day out at Cape Hillsborough. This was a time to bond, catch up, and deepen our spiritual connection with God. Lanelle Cobbin from Adventist School Australia graciously facilitated the day, challenging us to put aside distractions and focus on God's irresistible love, which is the foundation of true education.

The school has been rather quiet without the students, and we eagerly anticipate their return on Monday - a sentiment we believe many of you share.

There are several events planned for this term, so please ensure you keep up-to-date with our newsletter and Facebook posts for important dates.

Have a blessed Term 3!

We also acknowledge NAIDOC Week with children through art, craft & movements coincide with the Aboriginal & Torres Strait Islander stories. Nevertheless, we start extending on children's interest in cooking & would like to ask families to share their culture recipes so we can try to cook them with children in the centre.

Greetings!

We hope this newsletter finds you well.

We welcome our new staff: Ms Clair, Ms Michelle and Ms Kassy who have joined our team this term.

We will be focusing on nature play as we celebrate NAIDOC week. We embrace the opportunity to be out in nature, ensuring that the children in our care have great outdoor learning experiences regardless of the weather.

During this time the children will connect and contribute to their environment and explore in personally meaningful ways.

This term we are introducing a new literacy program for our Kangaroo group called, "PreLit". Updates will be posted on our Community post on Storypark.

If you have any ideas or suggestions that you would like to add to our program, feel free to share it with share. Your involvement in our program is greatly valued, and we appreciate your efforts.

Blessings, Bridget
