SUPERVISION AND COMMUNICATION

At Carlisle College, the safety and wellbeing of our students is our top priority. To ensure a secure environment and maintain accurate attendance records, we kindly ask all families to adhere to the following procedures.

School Access and Early Pick-Ups

During school hours, all parents must enter through the front gate and report to the school office before collecting their child early. Please note that the back gate is strictly for access before and after school hours only.

Attendance Sign-In and Sign-Out

To help us maintain precise attendance records: Students arriving after 8:38 AM must sign in at the school office.

Students leaving before 3:00 PM (Primary) or 3:10 PM (Secondary) must also sign out at the office.

If your child will be away from school for any reason, please notify the office. You can either:

Send an email to Absences@carlisle.qld.edu.au
Call and leave a message on the absences phone mailbox: (07) 4942 7455

For absences longer than three days, a medical certificate or exemption form is required.

Meeting with Teachers

If you wish to discuss your child's progress or raise any concerns, we encourage you to contact their teacher via email to arrange an appointment. Mornings are a busy time, and scheduling a meeting helps us provide dedicated time and attention to your child's needs.

Morning Supervision and Daily Schedule

- Morning supervision begins at 8:15 AM. Students should remain seated in the quad with their school bags until this time.
- The first bell rings at 8:38 AM, allowing students to line up and prepare for class, which starts promptly at 8:40 AM.
- The school day concludes at 3:00 PM for Primary students and 3:10 PM for Secondary students.

Break Times

Primary:

- Lunch: 11:05 am – 11:45 am
- Recess: 1:30 pm – 1:50 pm

Secondary:

- Recess: 10:42 am – 11:02 am
- Lunch: 12:46 pm – 1:26 pm

reception@carlisle.qld.edu.au
absences@carlisle.qld.edu.au
07 4942 7455

NOTICES

PARKING

To help ease congestion during drop-off and pick-up times, we kindly ask families who plan to walk their child into school or meet them at pick-up to use the back car park, accessible via Holmes Drive. This will leave the front area available for 'Kiss and Drop' as well as for our ELC parents.

If you are driving in for pick-up, please ensure your family name is clearly displayed on your car visor so staff can call your child/ren quickly. If you need a car visor, please contact the office.

A friendly reminder: the 'Kiss and Drop' zone is only for those remaining in their vehicles. For longer stays, please use the back car park. Thank you for your cooperation in keeping our school community safe and organised!

SCHOOL FEES

A friendly reminder that Term 4 due by Friday, 17 October, unless you have commenced a payment plan. If you have any questions or need further information, please contact Kerrilyn, our Finance Officer at accounts@carlisle.qld.edu.au. Thank you for your prompt attention to this matter.

NOTICES

KEEPING OUR STUDENTS HEALTHY

At Carlisle, the health and wellbeing of our students is our top priority. To help keep our school community safe and minimise the spread of illness, we ask that families keep their children at home if they are feeling unwell.

Even mild symptoms, such as a cough, sore throat, runny nose, or fatigue, can indicate an infection that may easily spread among students. By keeping your child home when sick, you are helping protect not only your child but also their classmates and teachers.

If your child becomes unwell while at school, our staff will contact you to arrange for them to be collected promptly. We also encourage children to return to school only once they have fully recovered and are symptom-free.

Thank you for your ongoing support in maintaining a healthy learning environment for all.

UPDATE YOUR CHILD'S MEDICAL INFORMATION

Please inform the school office of any medication your child takes, even if it's not needed during school hours. This includes action plans and medical documentation.

Having up-to-date medical information helps us respond effectively in emergencies, especially during events like camps or excursions. It ensures first responders can act quickly and appropriately if needed.

Your cooperation helps us keep all students safe and supported.

UNIFORM

DRESSING FOR SUCCESS AT CARLISLE

At Carlisle Adventist College, we believe our uniform is more than just clothing – it's a symbol of unity, identity, and respect. Our students wear their uniforms with pride, knowing they represent our thriving Christ-centred learning community both on and off campus.

Our uniform policy has been carefully designed to be practical, comfortable, and consistent with our values. It encourages students to present themselves neatly and with confidence, while promoting a sense of belonging and equality. Wearing the uniform well reflects not only school pride but also self-discipline and responsibility.

Primary and Secondary students are required to wear both formal and sports uniforms, depending on their daily schedule. Prep students wear sports uniform most days, with one formal day per week. Formal uniforms feature our distinct blue and gold check pattern for Primary students, and navy or white with pinstripes for Secondary students, paired with black, polishable school shoes. Our sports uniforms are practical and include logoed navy shorts and gold-accented tops, paired with appropriate joggers or runners.

Personal presentation matters. Hair must be clean, tidy, and tied back if it touches the collar. Hair colours should be natural, and accessories like ribbons or hair ties should be in school colours: navy, white, gold/yellow, or black. Jewellery is kept to a minimum, students may wear one small (2mm or less) plain silver or gold stud or small sleeper in each ear. No other facial piercings are permitted, and band-aid cover-ups are not allowed. Make-up should be minimal and no nail polish.

A school hat is an essential part of the uniform and must be worn for all outdoor activities. This includes recess, lunch breaks, sports lessons, and excursions. Hats not only complete the uniform but ensure students are sun-safe throughout the year.

On designated free-dress days, students are reminded to wear modest, sun-safe clothing with enclosed shoes and hats. These days are a fun way to raise funds and express individuality within respectful boundaries that still reflect our College values.

Donated second-hand uniform items in good condition are gratefully accepted and made available for purchase through the school. New uniform pieces can be obtained from Uniform Solutions, with accessories such as hats and jackets available from the College office.

Thank you for supporting our dress standards. Together, we help our students shine – not just in what they wear, but in how they wear it, with pride, purpose, and respect.

PRIMARY SPORTS

SWIMMING

This term, our primary classes will be attending swimming lessons at Marlins Swim School each Friday. These lessons form an important part of our program, helping students to strengthen their swimming skills, build confidence in the water, and develop essential water safety knowledge.

The sessions will also prepare students for our upcoming Swimming Carnival in Week 5. Swimming is a valuable life skill, and we encourage all students to participate fully.

On each swimming day, students must bring the following:

- Swimmers
- Towel
- Goggles
- Thongs
- Swimming cap
- Water bottle

Students should wear their sports uniform to school on Fridays. We are excited to see the growth in our students' confidence and ability as they enjoy their lessons this term.

Formal	UNIFORMS				Sports
	Monday	Tuesday	Wednesday	Thursday	Friday

STUDENT ACHIEVEMENTS

STATE RUGBY LEAGUE CHAMPIONSHIPS

During the school holidays, Vika and Jadah proudly represented our school and the wider community at the State Rugby League Championships held in Townsville. Both girls played as part of the Capricornia team, which brought together some of the best young talent from across the region.

Across the four-day competition, the girls competed in a tough draw against some of the strongest school teams from around Queensland. The Capricornia team secured two impressive wins and faced two hard-fought losses, showing great skill, determination, and teamwork throughout every match.

We are especially proud to share that Vika's efforts were recognised at a state level. Her consistent performance and commitment to the game earned her selection in the Merit Team, a huge achievement that highlights her as one of the standout players of the tournament. To top it off, Vika was also awarded Player of the Match in one of the fixtures, a well-deserved honour reflecting her impact on the field.

Both Vika and Jadah represented Capricornia with pride, demonstrating excellent sportsmanship and setting a wonderful example for our school community. Their achievements not only celebrate their individual talent but also inspire other students to pursue their sporting goals with dedication and passion.

Congratulations to both girls on an outstanding effort, we look forward to seeing where their rugby league journeys take them next.

Over the holidays our OSHC holiday program was once again packed with adventure, creativity, and plenty of smiles. Each day offered something new and exciting for the students to experience, and it was wonderful to see the mix of energy, laughter, and friendship as they made the most of their break.

One of the big outings was a trip to the movies to watch Kangaroo. For many of the students, it was a chance to see a side of Australia they hadn't experienced before, with stunning scenery and stories that sparked lots of conversation afterwards. Back at the program, students tried their hand at digging for fossils. Dusty hands and proud grins quickly followed, with children giving each other a playful pat on the back after uncovering their "discoveries."

The physical activities were a huge hit as well, with the jumping castles drawing crowds of eager participants all day long. But without doubt, the highlight for both students and staff was the visit from the petting zoo. Cuddling two-week-old kids (baby goats) brought endless smiles, and a cheeky little piglet quickly became the centre of attention with its playful squeaks and antics. These special moments created memories the children will carry with them well beyond the holidays.

In between the action, there was also plenty of time to slow down and enjoy quieter activities. Students relaxed while making their own bookmarks, spent time reading, and expressed their creativity through a variety of craft projects. These calm sessions gave everyone a chance to recharge before heading into the next adventure. Overall, the holiday program was a wonderful balance of fun-filled excursions, hands-on activities, and relaxing creative time. It was fantastic to see the students not only enjoying themselves but also learning, trying new things, and building friendships along the way.

Do not fret because of him who prospers in his way, because of the man who brings wicked schemes to pass. Cease from anger, and forsake wrath: Do not fret - it only causes harm. For evildoers shall be cut off: But those who wait on the Lord, they shall inherit the earth.

Psalms 37:1-3, 7-9
