CHRISTMAS IN THE CANE

At the end of the term, we will be hosting our annual Christmas in the Cane celebration at Carlisle, and preparations are already underway!

We would love the support of our school community in helping us spread the word. We are currently looking for sponsors, stallholders and entertainment to help make this year's event a wonderful celebration for everyone.

Christmas in the Cane is a great opportunity to welcome the broader Mackay community onto our campus and share what makes Carlisle such a special place. With markets, food, entertainment, activities and plenty of Christmas spirit, it is always a wonderful evening for families and our wider community.

If you know of a business, organisation, performer or community group that may be interested in getting involved, we would love to hear from you. Please help us spread the word and invite others to be part of this special event.

We are looking forward to another fantastic Christmas in the Cane and welcoming our community through the gates of Carlisle!

CHAPLAINCY

Welcome to Term 4! We are looking forward to another term of opportunities to grow in faith, connect with one another and serve our community.

Breakfast Club

Breakfast Club will continue to operate throughout Term 4. If you would like to volunteer your time to help with Breakfast Club, please contact the College Office. We would love to have some extra hands to help make this a welcoming start to the day for our students.

The MESH High School Rally will be held in Term 4, Week 3. The invitation is open to all Year 7 to Year 12 students, and students are welcome to bring their friends along.

Saturday, 24 October | Youth Rally

Our Year 7 to Year 12 students and their friends are also invited to join us for the Youth Rally at church on Saturday, 24 October. Following the close of Sabbath, there will be youth games held in the Carlisle shed. It will be a great opportunity to connect, have some fun and enjoy time together.

Chapel and Church Services

Our Term 4 chapel and church services will include:

Saturday, 31 October

We will be joining the congregation at Central Mackay Seventh-day Adventist Church for a special church service. The theme and further details will be shared soon.

Year 12 Service Trip

Our Year 12 students will be heading away on their service trip during Term 4. This is an exciting opportunity for students to put their faith into action through practical service, connection and ministry. We look forward to hearing about their experiences when they return.

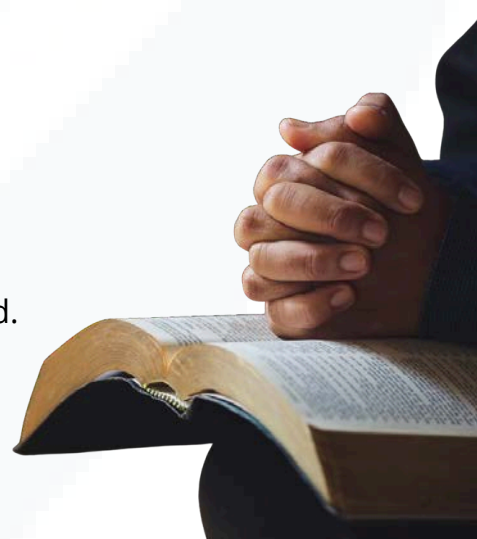

Bible Studies

Bible studies will continue to be available for students who would like to attend. These provide a wonderful opportunity for students to ask questions, explore the Bible and grow in their personal faith journey.

Get to Know Your Bible

Parents and members of our wider College community are invited to join Get to Know Your Bible, held every Wednesday from 2:20pm to 3:00pm. This is a relaxed and open space for anyone who would like to better understand how to read the Bible, ask questions and explore what it means for everyday life. You do not need to have any previous Bible study experience, just come along with your questions and an open mind.

We look forward to a meaningful and faith-filled Term 4 together!

STORMCO

7 students signed up for Storm Co, not fully aware of the way things were going to run. With an open mindset, our students went through long hours of travel to make it up to the Torres Strait Islands to service on Moa Island.

On the island, students put together two kids clubs, one on each side of the island. Over the three days of service, the kids clubs progressed, with worship time becoming more interactive, kids getting closer and more comfortable with the group, and craft activities being more fulfilling.

The Storm Co team ran the kids club by opening up with worship and games, then moving onto craft time where a set activity was scheduled. After craft time, participants then filled out our prayer wall, guided by an opening line including, "help me have courage for" and "I pray for my family and community to".

To end the program each day, they had snack time. Fruit, chips, and an ice block to cool down from the hot day.

The programs ran put smiles on not only the children's faces but the adults and Storm Co team. In the afternoons, it was nearly impossible to get our students away from the kids. So many memories and lifelong bonds were made on this trip.

The group got to experience life on the island, seeing areas that aren't mentioned often, that show historical events and the history of the island.

During the end of the trip, the team wanted to bless the community with a gift from the Storm Corporation, as a thank you for making the trip as memorable as it came out to be and in hopes to brighten someone's day. The group put together care packages for new parents and mums who are expecting.

The opportunity to give this donation was a blessing and the team hopes the gift will help out as much as possible.

The Storm Co team came out of the trip having learnt various valuable lessons and are filled with stories to tell. The painful hours of travel were made up by the gift of being able to serve and meet the community.

STORMCO

AN AMAZING SEPTEMBER SCHOOL HOLIDAY ADVENTURE AT OSHC

What an amazing September school holiday program we have had at Carlisle Adventist College OSHC! Our holidays were filled with fun, laughter, creativity, new experiences, friendship and plenty of wonderful memories.

We kicked off the holidays with lots of colour and creativity during our Crazy Hair and Tie-Dye Day, with the children creating some fantastic tie-dye designs and enjoying a fun-filled start to Vacation Care.

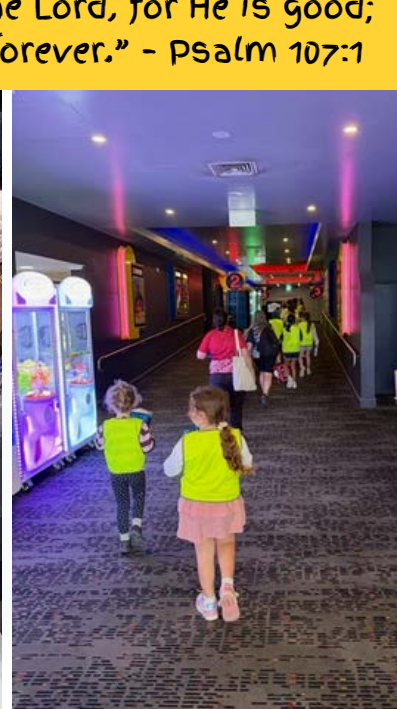

One of the absolute highlights was our excursion to the Leisure Centre for skating. The children had such a fantastic time and loved it so much that they have already put in a special request — “Can we go for TWO days next school holidays?” We think that says everything about how much fun they had!

Our next adventure took us to Northview Park for a picnic. The children were especially excited about enjoying some hot chips together! They had a wonderful time exploring the playground, playing with their friends and enjoying being outdoors. Our educators were incredibly proud of the kindness and respect the children showed to others using the park, demonstrating our Carlisle values beautifully while out in the community.

Cube Sports joined us for an action-packed morning of outdoor games and challenges. The children developed teamwork, communication, patience and resilience while having plenty of laughs. A new game called “Chuck the Chicken” was definitely one of the favourites!

Unfortunately, our planned Indigenous Paperbark Workshop with Aunty Mel from Younga Yarns couldn't go ahead because Aunty Mel was unwell. We wish her a speedy recovery and hope we can enjoy this special experience together another time.

“Give thanks to the Lord, for He is good; His love endures forever.” - Psalm 107:1

OSHC

Outside School Hours Care

Our budding builders were kept busy during our DIY Woodworking Day, working in small groups to build their choice of a toolbox or trinket box. It was wonderful watching the children concentrate on their projects, use new skills and help one another. We were particularly proud to see some of our older children naturally stepping in to help and encourage the younger children.

We also welcomed Foodtoons with Clare, where healthy eating became creative and fun! We explored healthy food choices and connected our learning with the Bible story of Daniel choosing healthy food.

Another exciting excursion was our trip to the movies to see PAW Patrol: The Dino Movie. With our OSHC friends together, a great movie and some popcorn, it was another special day for everyone.

Throughout the holidays there was also plenty of time for Lego, trains, marble runs, Hot Wheels, craft, playground adventures, games, Bible stories and worship. The children had lots of opportunities to follow their own interests, use their imaginations and simply enjoy spending time with their friends.

We finished our amazing holidays with a Water Slide Party and Water Games Day, a shared lunch and time to reflect on all the fun and memories we had made together.

A huge thank you to our wonderful OSHC educators for the care, enthusiasm and energy they brought to our program each day. Thank you also to our families for supporting our Vacation Care program and trusting us with your beautiful children.

Most importantly, thank you to our amazing children! Their laughter, creativity, kindness, enthusiasm and friendships are what make our school holiday programs so special.

We have loved spending the September holidays together and are already looking forward to seeing what adventures our next Vacation Care will bring!

NOTICES

STUDENT'S MEDICAL INFORMATION

To support the health and safety of all students, families are reminded of the importance of keeping student medical information up to date throughout the school year.

Please ensure the school office is informed of any medication your child takes, even if it is not required during school hours. This includes providing current action plans and relevant medical documentation. Accurate information allows staff to respond quickly and appropriately in an emergency, particularly during events such as camps, excursions, and special activities.

Any medication required during school hours must be handed in to the Student Services Officer. All medication must be clearly labelled by a chemist, and for safety reasons, medication must be dropped off and collected by a parent or carer.

Families are also asked to regularly check the expiry dates on all medication supplied to the school. Expired medication cannot be administered, so keeping medications in date is essential for effective care.

Keeping medical details current in our system also assists staff with preparation and risk management for camps and off-campus activities.

Thank you for working with us to ensure every student is safe, supported, and ready for a positive year of learning.

SCHOOL FEES

We would like to advise families that our Finance Officer is currently on Long Service Leave. While we have a relief staff member assisting in the Finance Office, they are still becoming familiar with our systems and processes.

As a result, there may be a slight delay in the distribution of Term 4 school fee statements. We appreciate your patience and understanding as we work through this transition.

If you would like to make a payment before your statement is issued, you are welcome to do so using your usual payment method. Any payments received will be credited to your account and reflected on your next statement.

If you have any questions regarding your account, please do not hesitate to contact the College Office.

BEHIND THE SCENES

BEHIND THE SCENES AT CARLISLE

While our students are enjoying a well deserved break, there is still plenty happening behind the scenes at Carlisle!

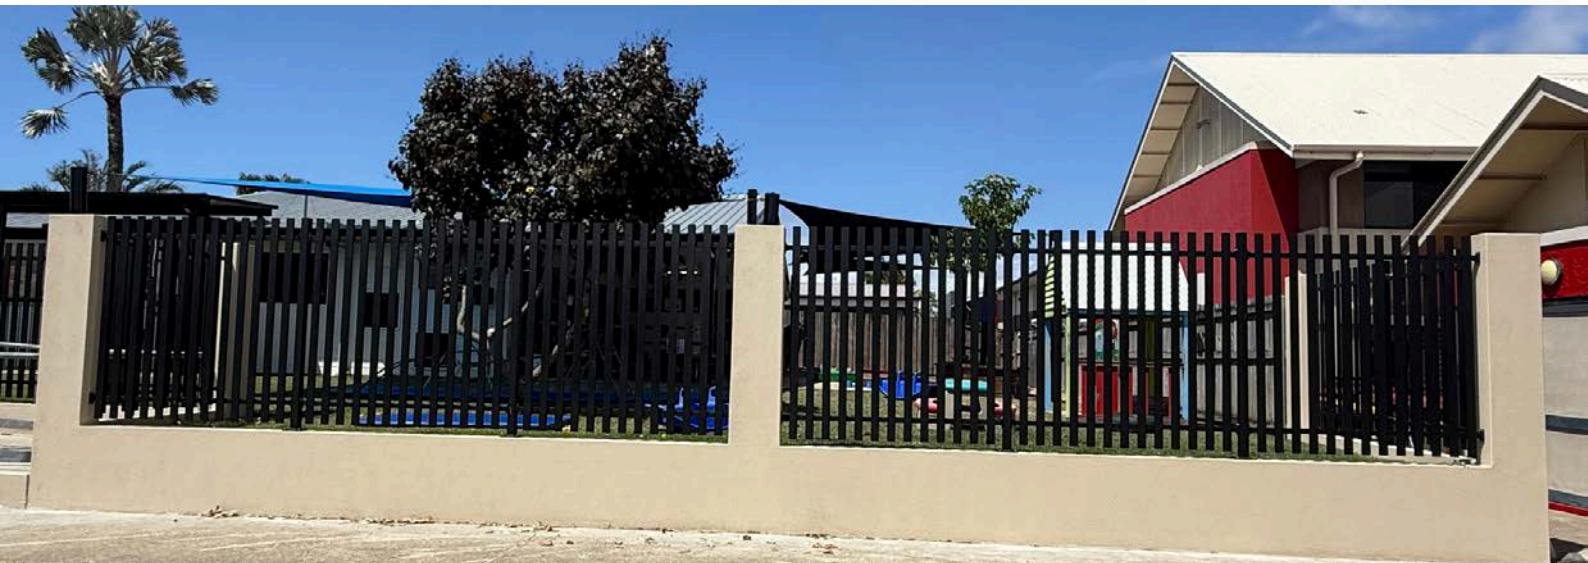

For our staff, the holidays are a time to catch up, prepare for the term ahead, reset classrooms and learning spaces, complete maintenance, deep clean, and of course, enjoy some much needed rest and time with family and friends.

It may not always be obvious to the eye, but there is always something happening around our College.

From classrooms being prepared and spaces refreshed to important maintenance projects taking place, the holidays are a busy time behind the scenes.

One of the most noticeable changes this holiday break is the amazing new fencing installed at the back of the school and around our ELC. While it certainly gives the College a fresh new look, more importantly, it provides an added layer of safety and security for our students and children.

We can't wait to welcome everyone back and see our College come alive again!

*"Let all things be done decently and in order."
1 Corinthians 14:40*

POLICY DOCUMENTS

To ensure we run a smooth and productive year please ensure you familiarise yourself with some of the procedures mentioned below, particularly if you are a new family to Carlisle or simply need a refresher.

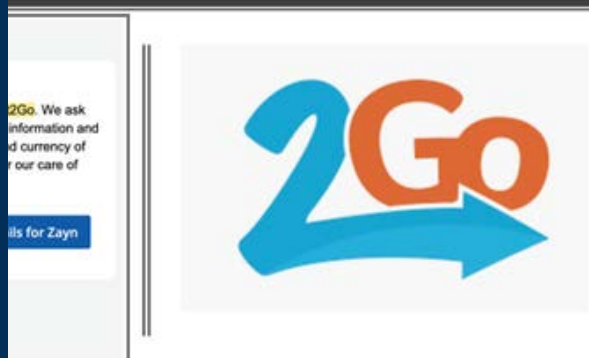

SEQTA Engage is a school app to help keep you informed of what is happening at Carlisle. The SEQTA app allows you to see your child/ren's Term reports, subjects, and what uniform to wear. In the Secondary School you can also see your child/ren's timetable and assessments.

New technology can be daunting for some, so if you are unsure how to set up SEQTA please follow the instructions on the next page.

SEQTA ENGAGE

Consent2Go

At Carlisle we use an electronic platform called Consent2go to streamline and fasten all processes to do with permission slips and healthcare. If you are new to Carlisle, you would have received an e-mail from the school entitled "Student Profile Update Invitation". It will look like the photo to the left. Please check your junk email if you have not received it and add Carlisle as a Safe Sender so you continue to receive our emails. We kindly ask that you check your child's medical details and confirm our records.

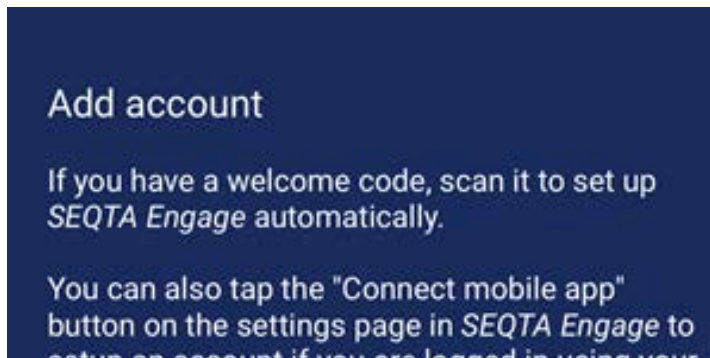

SETUP SEQTA

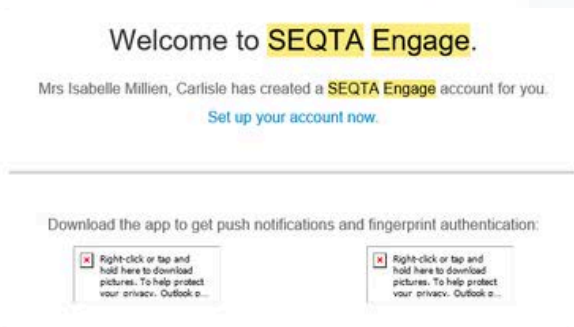

1) Download this app onto your device

Parents URL –

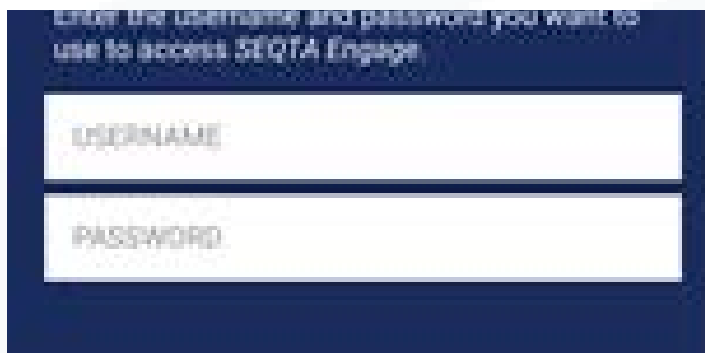

<https://carlisle.cp.adventist.edu.au/>

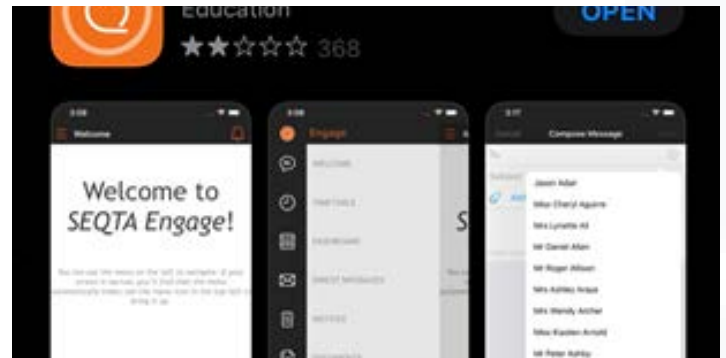

2) When you first open the app it will ask you to set up a username and password

3) Have your 'Welcome' email ready

4) Scan your QR code from email or Select I have a code.

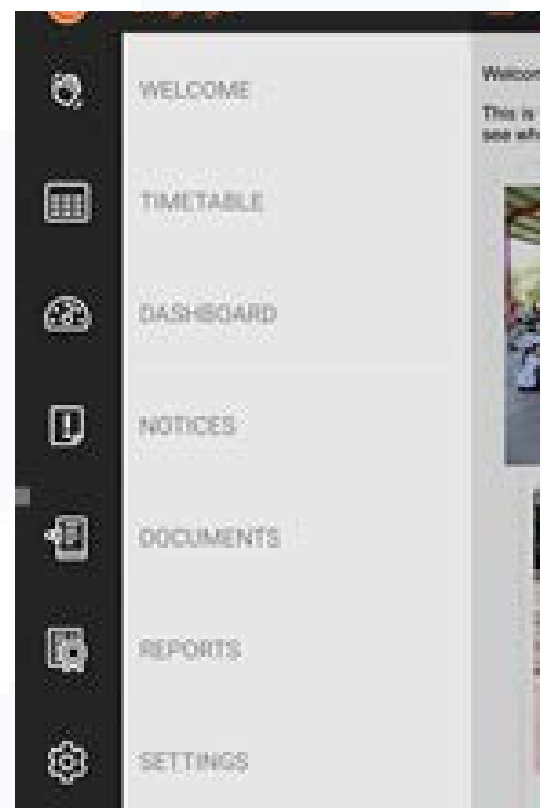

5) Once you are in you can click on the 3 lines in the top left.

6) The bell in the top right is the notifications and lets you know when the school has sent out something.

7) Each of these tabs will give you different bits of information

- Timetable (secondary) - you can swap between children
- Notices - There is a Primary and Secondary one that is updated every Sunday evening
- Documents - School policies and forms
- Reports - Past reports

PARKING

PARKING & KISS AND DROP

To help ease congestion during drop-off and pick-up times, families who plan to walk their child into school or meet them at pick-up are encouraged to use the back car park, accessible via Holmes Drive, where plenty of parking is available. This helps keep the front area clear for lower primary Kiss and Drop and our ELC families.

If you are driving in for pick-up, please ensure your family name is clearly displayed on your car visor so staff can call your child promptly. If you require a new name visor, please email reception@carlisle.qld.edu.au. Our staff will prepare a set and send them home with your student.

A friendly reminder: the Kiss and Drop zone is for families who remain in their vehicles only. For longer stays, please find a park. Parents are kindly asked not to enter the school grounds until 2.45 pm. If you need to collect your child earlier, please report to the front office via the front of the school.

Thank you for helping us keep our school community safe, organised, and flowing smoothly.
